Newsletter

Bill has done an excellent job on our newsletter! Distribution will be Tuesday, May 30th, 2006, via Listserv, website, and members list. This edition showcases GIS Education. The next edition will focus on Idaho Tribes.

Treasurers Notes

Donna reported a bill for our last conference call of \$60.27, Board APPROVED. Additional information is needed to finalize payment for the instruction of the GISP course. Donna will resubmit this bill after investigating.

Any travel expenses that will be reimbursed for this fiscal budget need to be turned in asap so they can be paid by June 30.

IGC

Betty raised the issue that in the bylaws of NR URISA it is stated that the board should make recommendations to the IGC. Possibly acting as liaison for local government in this forum. The next IGC meeting is in Boise at the JRW Building on June 15th.

Next Meeting

Nothing scheduled at this time, we'll schedule as needed. Next NRURISA will be the conference planning committee meeting.
